<p>COGCC Inspection Report Summary                      On Wednesday April 29, 2020 at approximately 11:45AM, I, Inspector Randy Silver, conducted an on-site inspection.                      Location: SweetGrass #23-14                      Operator: Kerr McGee                      API#: 05-123-32845                      County: Weld                      While there, I observed a well site and production facility                      During this inspection the following possible compliance issues were observed:                      Meter test: Rule 329 c Corrective action date of 5-29-20 see photo 4                      Wells have no MIT on file with the COGCC contact engineering.                      Weather conditions: Clear and location is dry                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	04/29/2020
