COGCC Comments

Comment	User	Date
<p>COGCC Inspection Report Summary **Weather Conditions: sunny, dry ground On Wednesday, May 13, 2020 at approximately 15:45, I, Inspector Brittani Santistevan, conducted an on-site inspection at SCHANK J 35-08 (PDC Energy), at location #: 330495 in WELD COUNTY Colorado. While there, I observed a shut in facility. During this inspection the following possible compliance issues were observed: 1. Separator appears to not be anchored. According to COGCC maps, location is within floodplains. Anchor equipment ensuring anchors are engineered so the equipment will resist flotation, collapse, lateral movement, or subsidence per Rule 603.h.(2)B. Refer to the 603.h guidance document for further details. (Corrective Action Date: August 13, 2020) See attached photo #5.</p> <p>FORM 10 DOC#: 402286287 IN WELL FILE.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	05/13/2020
