**General Comment:**

COGCC Inspection Report Summary

On Monday 5/18/2020 at approximately 11:30 AM, I, Inspector Scott Ramsey, conducted a routine inspection at Grizzly CBS, at Location # 420296 in Garfield Colorado.

While there, I observed normal production operations. Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

During this inspection the following possible compliance issues were observed:

- Two unmarked dead men.
- Chemical tank containment is not capable of holding 110%.
- Debris around tank battery.
- Master valve is leaking.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
