Comment: This location does not comply with Rule 1004. The associated offsite tank battery is bare without crop growth, which is not reflective of reference areas.

Note: The well location and well location access road appear to meet Rule 1004 standards.

Corrective Action:

Date **05/26/2020**

Comply with Rule 1004 regarding the associated offsite tank battery. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.

The corrective date is not intended to be the date for which the Operator shall complete the corrective actions but rather the corrective date is the date the location was observed out of compliance.
