

# COGCC Orphaned Well Program Daily Report

Ver: 200421

<b>Colorado Oil &amp; Gas Conservation Commission (COGCC) Orphaned Well Program 1120 Lincoln St. Ste. 801 Denver, Colorado 80203</b>	PO Number	PO,PHAA,202000012408	Date	5/19/2020		
	Well Name & Number	State B1 / Colorado State J18 / Tank Battery				
	Location Number	312133 / 312132 / 434724	Contractor	3 Corners oilfield Services LLC		
	API Number	B1 -075-05083 / J18 - 075-05078	Hours	8:30	To	17:00
	Project Manager(PM)	Mike Hickey	Phone Number	970-302-1024		
	On Site Task Manager	Cal St. John	Phone Number	720-545-5624		

TIME	DAILY WORK RECORD
8:30	3 Corners crew on location. Pull tank battery fencing.
9:20	Relocate to J18 well site to start building removal and prep pumping unit for removal. Load wood cribbing for haul off and removal. Load sucker rods and tubing for haul off and removal.
13:00	Relocate to State B1 location. Tear down prime mover shed. Load tubing and sucker rods for haul off and removal.

PLAN FOR TOMORROW
If the crane schedule works for tomorrow will start at pumping units to get them disassembled and loaded for removal. If no crane crew will work at tank battery disconnecting tank line and separator lines. Possibly hot oil and start pulling fluids from tanks.
