General Comment:

COGCC Inspection Report Summary

On Tuesday 6/2/20 at approximately 14:00 hours, I, Inspector Corey De Paolo,

Conducted an on-site inspection at LARAMIE ENERGY LLC Gunderson /20-03 Pad,

Location #449070 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Multiple places with unused equipment on location. See photo #1300 and #1301 with a corrective action date of 9/2/20. Berm has eroded and migrated into adjacent ditch. See photo #1298 with a corrective action date of 6/18/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
