**General Comment:**

This is a follow up of the previous reclamation inspection document number 689901486.

On 6/3/2020, a field inspection was performed with representatives of CPW, Presco, and a contractor to evaluate reclamation compliance issues. It is expected that Presco will be working to perform previous corrective actions and will provide progress updates. A follow up inspection will be performed to evaluate compliance with the reclamation requirements.
