Reclamation Specialist	Approval of the form 4 acknowledges that the Oil and Gas Conservation Commission has received the Notice. It is not an acknowledgement that the reclamation has been passed. A field inspection will be conducted to evaluate compliance with reclamation standards once resolution of CAs is clarified. No supporting documentation was attached to show that site has reached reclamation requirements and that CAs from RI Inspection have been resolved. Email from Operator to Inspector is not sufficient.	06/09/2020
