**General Comment:**

On 06/09/2020, Reclamation Specialist Trujillo conducted a final reclamation and stormwater on Berry Petroleum Co's Chevron L35 596 location in Garfield County, Colorado.

Records indicate that well are AL, though Location was constructed.

It was observed in this inspection that final reclamation appears to be in process.

Refer to the "Reclamation" sections of this inspection report for additional details.

Comment:

It was observed in this inspection that final reclamation activities appear to have been conducted pursuant to 1004 Rules, and that final reclamation is "in process".

Continue conducting final reclamation activities as needed. Continue with weed and stormwater management until final reclamation has passed.

Once Location meets COGCC 1000 series final reclamation standards, submit a Form 4 "Final Reclamation Complete", and a final inspection will be scheduled.
