

**BEFORE THE OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO**

AFFIDAVIT OF TERRY J. CAMMON

I, Terry J. Cammon, being of lawful age, upon my oath depose and say:

1. I am the President and CEO of Diversified Operating Corporation (DOC) who is the surface owner for the property who's legal address is E2E2 of Section 7, Township 7 North, Range 59 West, 6th P.M. Said surface location had the following oil and gas wells and tank battery which were subsequently plugged, abandoned, and reclaimed by Foundation Energy Management, LLC (Foundation) :

- Andrews 16-7 (API: 05-123-14767)
- Andrews 9-7 (API: 05-123-14767)
- Andrews Tank Battery (Facility ID: 453785)

2. DOC owns drilling and production equipment that is located east of and adjacent to where the Andrews Tank Battery was located.

3. I understand that there is an issue with the Colorado Oil and Gas Conservation wherein they believe the drilling and production equipment is owned by Foundation and was left on the said location after the plugging, abandonment and reclamation of the above-mentioned oil and gas wells and tank battery. It is my desire to designate and further stipulate that the drilling and production equipment is owned by DOC and was never, at any point in time, owned and or used by Foundation for the purpose of drilling and operating said wells and tank battery.
