**General Comment:****COGCC Inspection Report Summary**

On Friday 6/12/20 at approximately 1:00 PM, I, Inspector Scott Ramsey, conducted a follow up inspection at Ursa Gentry c, at Location # 311695 in Garfield Colorado.

While there, I observed normal production operations. All C/A(s) from previous inspection document # 700700716 have NOT been completed. There is still evidence of staining coming through fresh gravel thrown on top of stained gravel. C/A date remains the same as previous inspection.

This is a summary of inspection report.
