Subject: Re: State Reportable Release

Thank you for the email.

This satisfies the 24-hour required notification. Please submit a COGCC Spill/Release Report, Form 19 with the Initial Report information as soon as practicable but not later than 72 hours per Rule 906.b.

Good afternoon,

We had a state reportable release this morning at the location noted below due volume released outside containment. Approximately 2 bbls was released from a truck while hot oiling the flowlines. Excavation and cleanup activities are ongoing at this time, and a Form 19 Release Report is forthcoming.

Please let me know if you have any questions.
