

SURFACE DAMAGE AND RELEASE AGREEMENT

This Surface Damage and Release Agreement ("**Agreement**") is made and entered into this 18 day of April, 2019, by and between **Groves Farm LLC a Colorado Limited Liability Company** ("**Owner**") with an address of 21949 WCR 74 Eaton CO 80615, and **Bayswater Exploration & Production, LLC**, ("**Operator**") with an address of 730 17th Street, Suite 500, Denver, CO 80202; sometimes referred to each as a "**Party**," or collectively as the "**Parties**."

WITNESSETH:

For and in consideration of the covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **OWNERSHIP.** Owner is the surface owner of certain lands located in Weld County, Colorado as more specifically described as follows ("**Lands**"):

TOWNSHIP 7 NORTH, RANGE 65 WEST, 6TH P.M.
SECTION 34: PT S2, BEING MORE PARTICULARLY DESCRIBED IN THOSE CERTAIN
WARRANTY DEEDS RECORDED AT RECEPTION NUMBERS 3170844, 3170845,
3580335 IN THE RECORDS OF WELD COUNTY, COLORADO

Operator, and/or its affiliates, owns a working interest in valid leases covering all or portions of the Lands or lands pooled or included in a spacing unit therewith or lands adjacent thereto (each a "**Lease**," collectively, the "**Leases**"). Additionally, Operator may have responsibilities under a Joint Operating Agreement ("JOA") with respect to the Lands.

2. **OPERATOR'S OIL AND GAS OPERATIONS ON THE LANDS.** Operator intends to drill or cause to be drilled one or more oil and/or gas well or wells on its Leases (the "**Wells**"), the surface locations of which shall be on the Lands, as depicted approximately on Exhibit "A" attached hereto, and the subsurface locations of which may be under other lands than Owner's Lands. In order for Operator to drill, construct, complete, produce, maintain, rework, and operate the well or wells and all facilities associated therewith, including, but not limited to, access roads ("**Access Roads**"), pipelines, flow lines, separators, tank batteries, electric lines and any other facilities or property necessary for Operator to conduct operations on the Wells (each a "**Facility**," collectively, the "**Facilities**"), Again as depicted on Exhibit "A" attached hereto, it is necessary that Operator enter and utilize a portion of the surface of the Lands. There is no easement granted for any purpose other than the Access Road outside of the Surface Damage Area as depicted in Exhibit A. This includes, but is not limited to, any pipelines or flow lines whether on the surface or buried, utilities, etc.

Owner hereby grants to Operator, its successors and assigns, and each of their agents, employees, contractors and subcontractors, the right, privilege and easement for the purpose of locating and surveying the Wells & Facilities, and for constructing, entrenching, operating, maintaining, repairing, altering, replacing and removing the Facilities and appurtenant facilities, for the purposes specified herein, and including the rights of ingress to and egress from the Wells and Facilities across the Lands.

The Parties enter into this Agreement to evidence their entire agreement regarding the payment of surface damages, entry, surface use, and any other matters relating to Operator's use of the Lands.

3. **LOCATION.** Material changes to the designated operating areas may be made by Operator with the consent of Owner, which shall not be unreasonably withheld, but will not unduly interfere with

Owner's existing use of the surface estate. It is also understood and agreed that an access road will be located outside of the designated operating areas is necessary for operator's activities and that Owner and Operator agree to that the location for said access road is as shown on Exhibit "A". Operator agrees not to use any more of the surface of the Lands than is reasonably necessary to conduct its operations.

4. **CONDUCT OF OPERATIONS.** Operator's operations on the Lands will be conducted pursuant to the terms of the Leases, this Agreement, the rules and regulations of the Colorado Oil & Gas Conservation Commission ("**COGCC**"), and applicable Colorado statutes and case law.

5. **COMPENSATION AMOUNT.** Operator shall pay Owner the sum of [REDACTED] for each Well ("**Amount**"), which includes all associated Facilities & Access Roads shown approximately on Exhibit "A". The Amount shall be deemed full and agreed consideration for all damages caused or created by reason of the reasonable and customary ingress, egress, rights-of-way, drilling, completion, production and maintenance operations associated with the Wells and Facilities. Such damages will include, without limitation, damage to growing crops and crop land; the removal, transportation and care of any livestock; the re-seeding, construction and use of access roads; and the preparation and use of the well site areas. Any subsequent major operations for said Wells (refrac, recompletion, deepening, redrilling, etc.), except in case of emergency, shall require 10 days prior notice to Owner. Operator shall pay Owner all actual damages caused by said subsequent operations. Operator intends to permit a minimum of Sixteen (16) wells and drill a minimum of six (6) wells. Operator shall pay Owner the Amount as listed above for a minimum of six (6) wells, pursuant to the terms of the above. The Amount shall be paid to Owner in one full payment upon Operator's commencement of the well site construction. The payment for any additional wells drilled above and beyond the minimum six (6) wells noted above will be due to Owner upon commencement of the prepping the well location with conductor pipe and wellhead cellars prior to the mobilization of a drilling rig capable of drilling the wells to total depth.

6. **TERMS OF SUA.** This SUA, and the rights and benefits granted and created herein shall be effective as of the Effective Date. Notwithstanding the foregoing, if Operator has not commenced any operations pursuant to the terms of this SUA on or before December 31, 2021, this SUA shall terminate and be considered void.

7. **ADDITIONAL SURFACE USE PROVISIONS, ACCESS ROADS, FENCES AND FACILITIES.** With respect to its operations on the Lands, Operator will comply with the following provisions:

A. Access Roads/traffic:

- (i) Access roads will not exceed 20 feet in width.
- (ii) Operator will maintain all access roads in good repair and condition and will add a dust suppressant to the access road.
- (iii) Operator will make communication efforts with all vendors and services companies to obey speed restrictions. Operator cannot guarantee all construction, drilling, completion and associated traffic will be channeled in a certain direction. Operator will advise and remind all vendors and service companies of the proximity to houses, lands and the neighborhood as a whole.

B. Surface Restoration:

(i) Upon permanent cessation of Operator's operations on the Lands, all areas thereof occupied or utilized by Operator will be restored by Operator to their original contour as nearly as is reasonably practicable

(ii) All guy line anchors for drilling and completion rigs shall be immediately removed after such work is completed.

C. Drainage:

Operator will install culverts on the Lands that may be necessary to maintain present drainage and irrigation otherwise affected by its operations on the Lands.

D. Surface / Property damage:

(i) If by reason of the activities of the Operator, including, but not limited to, drilling, completing, equipping, and operating of the Wells, there is damage to personal property of the Owner, including, but not limited to, domestic well (including water quality), irrigation wells, fences, culverts, bridges, pipelines, ditches, or irrigation systems, and for which Owner has not been previously compensated pursuant to Paragraph 5, Operator will repair or replace such items after consultation with and to the reasonable satisfaction of the Owner. Owner will notify Operator of any items damaged after the Wells construction and Operator will repair or replace such items after consultation with the Owner within 15 days of occurrence.

E. Operations/cleanliness:

(i) Operator agrees that all trash, refuse pipe, equipment, liquids, chemicals, or other materials brought on the Lands that are not necessary for continued operations of the Wells will be removed and disposed away from the Lands no later than 30 days after the completion of the Wells. No such items will be burned or buried on the Lands. Additionally, the well sites shall be kept free and clear of all noxious weeds, unsightly growth and trash either during drilling operations or after completion and production.

F. Fencing:

(i) During drilling operations, the well sites and any pits shall be fenced if requested by Owner. Operator will also install cattle guards and/or gates where reasonably necessary. The costs of which shall be paid by the Operator.

G. Sound Walls/ Visual screen:

(i) Operator will provide engineered noise abatement sound walls and light mitigation at the site during drilling and completion operations.

8. **DEFAULT AND RIGHT TO CURE.** In the event of alleged default by Operator in the payment of any of the sums hereinabove provided to be made, in obligations to be performed, or any other terms, conditions or covenants of this Agreement, Owner will notify Operator, by certified mail, return receipt requested, of the alleged default. Operator will have 30 days from receipt of the written notification in which to dispute or otherwise respond to the notification before Owner may allege default.

Except as otherwise agreed in writing, no waiver by Owner of any breach by the Operator of any of its obligations, agreements, or covenants hereunder will be deemed to be a waiver of any subsequent or continuing breach of the same, nor will any forbearance by Owner to seek a remedy for any breach by the Operator be deemed to be a waiver by Owner of its rights or remedies with respect to such breach; however in no event will Operator be liable for consequential damages.

9. **INDEMNITY/RELEASE.** Owner hereby releases and agrees to hold harmless Operator from any and all liability and further payment, other than what has been provided herein, for damages on the Lands which arise from, out of or in connection with the Operator's operations on the Lands, but only as to those operations which are described in and permitted by this Agreement, and for those operations which the Amount has been paid and received by Owner pursuant to this Agreement.

Operator agrees to indemnify and hold Owner harmless from any and all claims, damages and causes of action arising out of and caused by Operator's operations on the Lands that may be asserted by any of Operator's agents, employees, subcontractors, contractors or persons entering upon the premises at the request of Operator.

10. **WAIVER OF 30-DAY NOTICE.** Owner hereby waives the minimum 30-day written notice requirement for operations to begin and any other notice or consultation requirements of the COGCC. Without waiving the foregoing, Operator agrees it will provide an initial notice to Owner after it has submitted a request for permit to drill from the COGCC.

11. **NOTICE FOR ADDITIONAL OPERATIONS.** Operator will comply with COGCC rules and regulations requiring that advance notice be provided to Owner for subsequent operations on the Wells, including, but not limited to, reworking operations thereto.

12. **NOTICES.** Notice by either Party will be promptly given, orally if possible (with the exception of the default notice described in Paragraph 7), with subsequent mandatory written confirmation sent by United States mail, postage prepaid and addressed to either Party at the address as designated below; or to such other place as either Party may from time to time designate by notice to the other:
