Photo 2. Zoomed in photo of the tank battery location. Photo illustrates the total disturbance including a potential produced water spill from a pit.

Inspection Photos
Location Name: PRICE #1
API #: 05-005-06064

Produced water pit

Photo 3. COGCC drone aerial imagery captured on June 24, 2020 illustrates the approximate disturbance area (red polygon) needing to be reclaimed. The southern disturbance area appears to be from a produced water spill from a pit.
