Reminder: _____

Comment: The well is a 10" casing filled with dirt up to 2 feet below the top. When the casing side is hit with a large rock the casing moves 1/8" sideways. The inspector suspects this is not a well and may have been used as a valve can. Next to the casing is a wood lined valve box filled with dirt. See attached photo.

Corrective Action: _____

Date: _____

Reclamation - Storm Water - Pit**Storm Water:**
