<p>COGCC Inspection Report Summary</p> <p>On Monday 7/13/2020 at approximately 11:00 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Shable K 08-69 HN Multi Well Pad location #437479 in Weld County, Colorado.</p> <p>While there, I observed outdated producer information and emergency contact numbers at the wellheads, missing placards on VRT's, used oil storage with no wildlife protection, all fire extinguishers on location with expired inspection tags and faded storage labeling. During this inspection the following possible compliance issues were observed: Rule 210.d. with a corrective action date of 8/31/2020, Rule 210.e. with a corrective action date of 8/31/2020, Rule 324 A.a. with a corrective action date of 8/31/2020, Rule 606 A. with a corrective action date of 8/31/2020.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p> <p>This is a summary of the inspection report.</p>	petersont	07/13/2020
