COGCC Inspection Report Summary

**Weather Conditions: cloudy, dry ground

On Monday, July 13, 2020 at approximately 16:00, I, Inspector Brittani Santistevan, conducted an on-site inspection at DEWALT 19-41 (Kerr McGee), at location #: 310048 in WELD COUNTY Colorado.

While there, I observed a shut in wellhead.

During this inspection the following possible compliance issues were observed:

1. Appears to be stained soil at bradenhead. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.f.(2).d. (Corrective Action Date: August 13, 2020) See attached photo #3.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
