

Interim Reclamation and Stormwater Inspection

July 16, 2020

Operator: ANADARKO WATTENBERG OIL COMPLEX LLC #10600

Location ID: 466426

Inspection Document #: 697501768

Weld County, CO

Section 13 T2N R65W

Chris Binschus
Reclamation Specialist, COGCC

COLORADO

**Oil & Gas Conservation
Commission**

Department of Natural Resources

Photo 1. COGCC GISOnline aerial imagery taken 2017. Imagery illustrates a section of a crude oil transfer line with reclamation corrective actions. A List B Colorado noxious weed, Scotch thistle, was observed within the transfer line disturbance. Also, in general, the transfer line appears to consist mostly of annual, weedy vegetation.

Photo 2. Photo taken from the southwestern crude oil transfer line, facing North. Photo illustrates a List B Colorado noxious weed, Scotch thistle. Scotch thistle was observed throughout portions of the western and southern transfer line.
