Comment: This inspection was only conducted at the tank battery location. Operator has failed to perform final reclamation activities at the tank battery.

Note: It appears the surface owner is using the tank battery area for farming operations but there is no variance request on file.

Corrective Action:	Comply with Rule 1004 to perform final reclamation activities or submit a final reclamation variance request using the most recent guidance from December 2019. Corrective action date is being back dated to when all final reclamation activities should have been completed and/or a final reclamation variance request submitted.	Date	01/08/2020
