Comment: This inspection was only conducted at the tank battery location. Operator has failed to perform final reclamation activities at the tank battery.

Note: It appears the surface owner is using the tank battery area for farming operations but there is no variance request on file.

Corrective Action:	<p style="color: red;">Comply with Rule 1004 to perform final reclamation activities or submit a final reclamation variance request using the most recent guidance from December 2019.</p> <p style="color: red;">Corrective action date is being back dated to when all final reclamation activities should have been completed and/or a final reclamation variance request submitted.</p>	Date <b>01/08/2020</b>
