Gauger checked on location and noticed a release from the flowline. He immediately shut in the well and locked out line at both ends to stop release. Called roustabout to bring equipment to clean up. A company is bringing a roll off to dispose of contaminated soil. Called Susan Sherman to notify of event. Kevin emailed Jason at COGCC to notify of release. Will contact landowner and Lincoln County. Estimated about 1bbl of crude released and 4-5 of water.
