**General Comment:**

COGCC Inspection Report Summary  
On Monday 7/27/20 at approximately 13:00 hours, I, Inspector Corey De Paolo, Conducted a follow up inspection at LARAMIE ENERGY LLC Wagon Track Federal /12-14 Pad, Location #312656 in Mesa County Colorado.  
Refer to document #699800826 and #699800974 inspections conducted on 3/31/20 and 4/23/20. Not all corrective actions have been completed.  
While there, I observed normal production operations.  
During this inspection the following possible compliance issues were observed: Secondary containment berm has eroded. See photo #0883, #1030 and #1624 with a previous corrective action date of 4/20/20.  
  
A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
