Comment

At the time of this inspection, there were no observed reclamation compliance issues at the well location. Refer to the attached inspection photos.

Operator shall continue to monitor and manage this site per Rule 1003 standards, including stormwater and weed management. If any future disturbances (i.e., subsequent operations) affect interim reclamation vegetation, Operator shall reclaim all disturbances as early as practicable to meet Rule 1003 standards.

Note- a separate corrective action inspection (Doc.# 697501802) related to a complaint was submitted regarding the associated offsite tank battery, which also services this well.
