COGCC Comments

Comment	User	Date
<p>COGCC Inspection Report Summary **Weather Conditions: sunny, dry ground On Tuesday, August 4, 2020 at approximately 10:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at WINDSOR 35-5 (Great Western), at location #: 310283 in WELD COUNTY Colorado. While there, I observed a plugged and abandoned wellhead. During this inspection the following possible compliance issues were observed: 1. Unused/disconnected gas meter and 6' chain link fencing surrounding gas meter on tank batter location. Remove gas meter and fencing to comply with Rule 603.f. (Corrective Action Date: November 4, 2020) See attached photo #2.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	08/04/2020
