Comment At the time of this inspection, COGCC staff observed unmanaged weeds at the tank battery. It appears the Operator did not respond to the previous corrective action to control weeds. Refer to the attached inspection photos.

Corrective Action Comply with Rule 603.f. to control and manage weeds at the tank battery.

Date 07/10/2020

Since the Operator failed to perform the previous corrective actions for weed management, the corrective action date is being backdated.
