Comment:

This location is not in compliance with Rule 1004 standards. Operator has failed to recontour the access road and failed to recontour the location. Note- it does not appear the surface owner is using the access road.

COGCC staff has been instructed by COGCC management not to issue corrective actions associated with the 2019 final reclamation self disclosure regarding final reclamation, excluding stormwater and weed management; therefore, corrective actions will not be submitted for the above compliance issues.

At the time of this inspection, there were unmanaged weeds observed throughout the access road.

Corrective Action:

Per Rule 1004.a., the same standards as established for interim reclamation under Rule 1003 shall be performed. As to cropland per Rule 1003.e.(1)., undesirable and noxious weeds shall be controlled.

Comply with Rule 1004.a. to control undesirable weeds.
