General Comment:

Engineering Integrity Inspection performed on August 11, 2020, to witness flowlines on location were removed

Form 42 received document number 402455105, 30 day notice to Plug and abandoned flowline

Two risers were left at separators; they are part of a live manifold system. Dump line and sales line. Multiple wells tie into single dumpline and single gas sales line

For more information on Plug and Abandoned of well see form 6 document number 402388719
