Please contact Steve Wheeler with any questions.

Response: CA COMPLETED

Date of Completion: 07/16/2020

Completed

Operator
Comment:

COGCC Decision: Approved

COGCC Representative: Form 12 (Doc.# 402448535) was received on 7/22/2020 and remains in process, pending approval.

2  CA# 139836

Corrective Action: Comply with Rule 1003 to properly recontour and revegetate the section of line to allow for successful flood irrigation and import new topsoil (refer to Photos 4-5) that will be suitable for vegetative growth.

Date: 06/22/2020

Operator shall collaborate with the surface owner and perform the corrective actions. If temporary measures need to be performed before recontouring the section of line, then those temporary measures should be performed in collaboration with the surface owner.

Operator shall contact the surface owner no later than June 22, 2020 to collaborate and perform the corrective actions.

Refer to the COGCC Comments section for additional corrective actions and comments.

Response: CA COMPLETED

Date of Completion: 06/22/2020

Operator Comment: Rocky Mountain Midstream has been in communication with the landowner and ROW reclamation work is to be completed this fall.

COGCC Decision: **Not Approved**

COGCC Representative: This is an acknowledgement that the document was received. COGCC appreciates the update but is unable to approve this resolution, as all the corrective actions have not been completed. The FIR Resolution was intended for Operators to communicate to COGCC when corrective actions have been completed, not planned.

OPERATOR COMMENT AND SUBMITTAL

Comment: Will follow up again in the fall.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
