**General Comment:**

On 8/13/2020, Reclamation Specialist Trujillo conducted a follow up final reclamation and stormwater inspection at Eagle Operating Incs E-M Emerald 275 location in Rio Blanco County, Colorado.

This inspection is to document compliance for the following corrective actions from Field Inspection Report No. 696200978 and No. 696201286:

306.f: Storage of unused or unneeded equipment.

1003.b: Reclamation of areas disturbed due to equipment storage

It was observed in this inspection that corrective actions have been conducted.

Refer to the "Reclamation" section of this inspection report for additional details.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

## 1003 f. Weeds Noxious weeds? \_\_\_\_\_

Comment

Previous inspections required Operator to remove equipment and conduct reclamation on disturbance areas where O&G equipment has been stored.

It was observed in this inspection that equipment has been removed and additional reclamation has been conducted. This corrective action has been addressed. Continue to monitor and manage reclamation until site receives a passing final reclamation inspection. Conduct additional work as needed to ensure disturbance progresses towards COGCC 1000 series standards.
