<p>COGCC Inspection Report Summary On Friday 8/14/2020 at approximately 12:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Hungenberg 13-13F location #328819 in Weld County, Colorado. While there, I observed that the wellhead sign lacked an emergency contact number and trash around the wellhead area. During this inspection the following possible compliance issues were observed: Rule 210.b. with a corrective action date of 11/16/2020, Rule 603.f. with a corrective action date of 11/16/2020. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	08/14/2020
