<p>COGCC Inspection Report Summary                      On Monday 8/17/2020 at approximately 1245 hrs. I, Inspector Robbie Revas, Conducted an on-site inspection at a Kerr McGee location:                      Dechant State V 16-3JI at API #05-123-19773 in Weld County Colorado.                      While there, I observed a well site and tank battery. SI since 11-1-2019, Form 42(PR) Doc # 402455581 and is approved.                      During this inspection the following possible compliance issues were observed:                      Rule 328/328, measurement of oil/gas: Card in meter house indicates calibration is not current. CA date 11-17-2020 see photo 8.                      See attached photos.                      Location is dry, weather is clear.                      A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	revasr	08/17/2020
