Topaz 6-I Pad: Lot 6 Section 6, Township 7 North, Range 65 West  
Weld County, Colorado**

Dear Director Murphy,

Bayswater Exploration & Production, LLC (Bayswater) has filed a Form 2A Oil and Gas Location Assessment (OGLA) for the Topaz 6-I Pad.

Bayswater has provided the required Pre-Application Notifications to all Building Unit Owners within the Buffer Zone Setback pursuant to Colorado Oil and Gas Conservation Commission (COGCC) Rule 305.a. In accordance with COGCC Rule 303.b.(3)J.iii., Bayswater certifies that the surface owner and all Building Unit Owners within the Buffer Zone have received a Building Unit Owner Pre-Application Notification and proof of receipt is on file at their office. There were two (2) building unit owners within the buffer. A courtesy pre-app notice was also sent to the Town of Ault.

Bayswater respectfully requests the COGCC approve the Form 2A for the Topaz 6-I Pad. Many thanks for your consideration of this matter.

Respectfully,
