Comment:

Operator has performed the previous corrective action to perform final reclamation activities per Rule 1004. Weed maintenance will likely be required, as Russian thistle was observed. Russian thistle does appear to be recently mowed.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
