Comment:

Operator has decommissioned the tank battery since the previous inspection performed on 4/30/20. Final reclamation activities have been initiated at the tank battery by removing gravel and performing compaction alleviation.

Operator will still be responsible for reclaiming the well location per Rule 1004.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
