General Comment:

On 9/23/2020 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Long-term stormwater controls need to be installed to stabilize erosion within the southeastern portion of the project area by 10/30/2020.

2019 FIR Resolution documents operator's response to corrective actions identified during a 2019 reclamation inspection.

See below, and attached photos for additional detail.
