<p>COGCC Inspection Report Summary On Thursday 9/24/2020 at approximately 09:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Zabka 1-15 API #123-13294 in Weld County, Colorado. While there, I observed that the well was temporarily abandoned with no MIT on record. During this inspection the following possible compliance issues were observed: Rule 326. with a corrective action date of 12/31/2020. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p>	petersont	09/24/2020
