<p><b>COGCC Inspection Report Summary</b>                      On Friday 9/25/2020 at approximately 10:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Zabka 11-15 location #332146 in Weld County, Colorado.                      While there, I observed that the well was temporarily abandoned with no MIT on record. During this inspection the following possible compliance issues were observed: Rule 326. with a corrective action date of 12/31/2020.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p>	petersont	09/25/2020
