General Comment:

This is a Final Reclamation Inspection for PA Well AP#081-07350, prompted by Form 4 submitted by Operator indicating Final reclamation Complete, site ready for Inspection. Well was Spud 11/8/2006 by Pioneer Natural Resources; Plugged and Abandoned 10/5/2018 by SWN.

Form 4 mistakenly reported that Final Reclamation was Complete. "Final Reclamation will commence approximately"; Box, should have been checked. Refer to Reclamation Section and Photo Log attached for Location Status.
