Dear Director:

PDC Energy, Inc. ("PDC") is requesting an exception to Rule 318A.a. and Rule 318A.c. for the above-captioned well(s).

The location(s) are planned outside of a GWA window and are not within 50' of an existing well. This location is favorable in order to drill horizontal wells with sufficient lateral length in the producible zone and build sufficient production facilities on location.

We respectfully request the approval of this exception to reduce the impact on the surface owner and surface operations. PDC Energy is the surface owner and waives these exceptions for 318A.a and 318A.c. and no separate waivers are required.

If you have any questions, please contact the undersigned at (303) 831-3931.

Sincerely,

A handwritten signature in black ink, appearing to read "Ally Ota".
