General Comment:

On 9/29/2020 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Kochia and Russian thistle debris needs to be removed and properly disposed of by 10/16/2020.

See below, and attached photos for additional detail.

Please note that any corrective actions not addressed from previous inspections are still applicable. This inspection did not assess corrective actions identified during the 2018 environmental field inspection.
