**General Comment:**

On 10/7/2020 Catherine Roy conducted a reclamation and stormwater inspection. No compliance issues were documented during this inspection.

Corrective actions from April, 2018 reclamation inspection appear to be addressed at this time.

Comment: 

Stabilization measures (installation of cobble and wattle) are placed in the eastern fill slope in response to corrective action identified in 2018, and appear to be functioning at this time. Weeds appear to be managed.
