COGCC Inspection Report Summary

**Weather Conditions: sunny, dry ground

On Monday, October 19, 2020 at approximately 11:45, I, Inspector Brittani Santistevan, conducted an on-site inspection at LUNDVALL 13-15 (PDC Energy), at location #: 330901 in WELD COUNTY Colorado.

While there, I observed a shut in wellhead.

During this inspection the following possible compliance issues were observed:

1. Overgrown weeds are inside wellhead fencing. Remove to comply with Rule 603.f. (Corrective Action Date: November 19, 2020) See attached photo #2.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
