General Comment:

This is an orphaned well inspection. Inspection completed to document location status for planning work for well re-entry and plug and abandonment task.

Inspection may also identify possible task required for final closure/release of location from the Orphaned Well Program.

See link at end of report for path to downloadable pictures.

Comment	User	Date
Well was previously plugged 10/26/1987. Well will be re-entered and additional plugs placed to cover Fox Hills aquifer. Well is located in active agriculture field and will require landowner coordination. No production related equipment or flow lines observed at time of inspection.	stjohnw	10/22/2020
