<p>COGCC Inspection Report Summary On 10/21/20 at approximately 1440 I, Inspector Justin Medina conducted an on-site inspection at: Well Name- Moran 1 Company Name- P3 API- 05-001-06717 In Adams County Colorado. While there, I observed Shut in well. This is a follow up inspection from document # 699501742 corrective actions from previous inspection appear to have been addressed. Bull plug installed on valve that was leaking see pic 3. During this inspection the following possible compliance issues were observed: Netting/cover appears to have fallen off of produced water tank, see pic 4. Net or fence pit to prevent access per rule 902.d. 10/22/20 A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. At time of inspection weather conditions were overcast and windy. At time of inspection called emergency number on wellsite and left a message about netting/cover on produced water tank. 713-510-0150 This is a summary of inspection report.</p>	medinaj	10/21/2020
