LEGEND

- Groundwater Monitoring Well Location
- TD - Total depth
- DTGW - Depth to groundwater
- bgs - Below ground surface
- btoc - Below top of well casing
- ND - Not Detected at or above the laboratory detection limit
- NS - Not Sampled
- BTEX - Benzene, toluene, ethylbenzene, total xylenes - reported in micrograms per liter (ug/l)
- ** Monitoring Well was destroyed
- *Monitoring Well Installed July 20, 2020

Values in **BOLD** are greater than their respective COGCC Table 910-1 Concentration Levels
