General Comment:

COGCC Inspection Report Summary

On Friday 11/6/20 at approximately 1330, I, Inspector Scott Ramsey, conducted a routine inspection at Grizzly Werner, at Location # 416197 in Garfield county Colorado.

While there, I observed normal production operations. All meters have been calibrated on location within the past year.

During this inspection the following possible compliance issues were observed:

- Lack of tracking controls
- Unused equipment on edge of location

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
