Comment:

Appears the Operator responded to the previous corrective action inspection to performed additional reclamation activities where equipment had been removed. The location will remain in process, as the location has not achieved final reclamation vegetation standards. The location has been recently mowed to control Russian thistle and Kochia. Refer to the attached inspection photos.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
