<p>COGCC Inspection Report Summary On Thursday 11/19/2020 at approximately 12:50 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Fritzler UPRR 31-31 Tank Battery location #452044 in Weld County, Colorado. While there, I observed that the DCP meter calibration card was out of date. During this inspection the following possible compliance issues were observed: Rule 329. with a corrective action date of 2/26/2021. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	11/19/2020
