Comment: This location does not comply with Rule 1004. Operator has failed to remove all equipment and perform final reclamation activities for the well location and access road. Refer to the attached inspection photos.

Corrective Action:

Date **03/15/2020**

Comply with Rule 1004 to remove all equipment and perform final reclamation activities.

Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.

Corrective action date is being back dated to when all final reclamation activities should have been completed.
