On November 19, 2020 COGCC SW EPS Jim Hughes conducted an environmental field inspection of the BP Secord 7U 34-6-1 Spill/Release Point ID #478511. Please refer to document #402527598 for more information regarding this release. The release point is located along the access road to the Secord 17U 34-6 #1. Gas and water lines have been located with spray paint and Simcoe LLC pin flags. The release area is marked off with "T" posts and orange flagging ribbon. An approximately six inch diameter hole was observed within the release area.

The second gate was open upon arrival and was left in this position after this inspection.
